## REGISTRATION FORM

**Name:** .....

**Company/ University:** .....

**Hand phone:** .....

**E mail:** .....

**Fax:** .....

**Address:** .....

Mode of payment:

Cheque/Bank Draft payable to **Bendahari Universiti  
Teknologi Malaysia**

Cash

Account Details

Name of Account	Bendahari universiti Teknologi Malaysia
Account No.	1403 2010 0356 30
Account opening bank	Bank Islam Malaysia Berhad
Address	Bank Islam Malaysia Berhad, Jalan Tun Razak, 50400 , Kuala Lumpur, Malaysia
Swift Code:	BIMBMYKL
Message/Remark:	MiCRA 2012 - UTM Razak School Code:K400000-5608-06257

Category of Participant [Please tick (✓)]:

- Academic Presenter  
 Student Presenter UTM  
 Student Presenter other institutes  
 Industry Participants  
 Overseas Participants

**UTM**  
UNIVERSITI TEKNOLOGI MALAYSIA

UTM RAZAK School  
of Engineering  
and Advanced Technology

## CONFERENCE DIRECTORS

Professor Dr Christopher Nigel Preece  
(Universiti Teknologi Malaysia), Chairman of  
(MiCRA)

Dr Mohamad Syazli Fathi  
(Head of Civil Engineering Department, UTM  
Razak School of Engineering & Advanced  
Technology)

### CPD Point:

CPD points have been requested from several  
professional institutions and will be confirmed  
at a later date.

### Indexing:

The publications from this Conference will be  
submitted for indexing with Thompson  
Reuters Science Citation Index.

UTM RAZAK School of Engineering &  
Advanced Technology,  
Universiti Teknologi Malaysia, Jalan Semarak,  
Kuala Lumpur, MALAYSIA

micraconf@gmail.com

## Background

The Management in Construction Research Association (MiCRA) was established in 2002 as a collaboration between IIUM, USM, UiTM, UTM, UM and UPM with the hope to bring together all persons researching management issues in the built environment to elevate this community to greater heights through an annual series of conferences.

On behalf of the Razak School of Engineering and Advanced Technology, in collaboration with, the Centre for Graduate Studies of UTM I have great pleasure in inviting you to this Postgraduate Conference.

The conference will be hosted at UTM Razak School of Engineering and Advanced Technology at the UTM Kuala Lumpur campus.

Our ambition for this event is to offer a scientific platform for postgraduates from all institutions of higher learning in Malaysia to share their new found knowledge in their respective fields of study.

MiCRA will provide a forum for participating academics and researchers to share their experiences, research studies and views to contribute to the further advancement in management engineering, technology, and construction in particular.

I look forward to meeting you all at the MiCRA Postgraduate Conference!

**OFFICIAL CONFERENCE EMAIL:**  
microconf@gmail.com

**CONFERENCE LANGUAGE:**  
English will be the official language of the conference.

For More Information See:

<http://Microconf.blogspot.com>

The subject areas covered include but are not restricted to:

Papers concerning any topics related to;

- construction,
- design,
- engineering,
- project and commercial management

will be considered *including* :

- Building Information Modelling (BIM)
- Collaborative Working
- Construction and Engineering Education
- Construction Law
- Construction Planning
- Design Management
- Economics
- Environmental Management
- Facilities Management
- Green Building
- Human Resource Management
- Industrialised Building Systems
- Information Technology
- Integration
- International Construction Business and Markets
- Lean Management
- Logistics
- Maintenance Management
- Procurement
- Project Management
- Risk, Health and Safety Management
- Sustainability and social responsibility
- Transportation
- Urban planning
- Value Management
- Whole-life Asset Management

## Venue

UTM, Jalan Semarak, Kuala Lumpur

## FEES

Registration Fee	Registration (max 2 papers per registration)
Academic Presenter	RM 400
Student Presenter (Please provide Student ID)	
- Universiti Teknologi Malaysia (UTM)	RM 100
- Other institutions	RM 150
Industry Participants	RM 350
Overseas Participants	US\$150

## IMPORTANT DATES

Full Paper Submission Deadline Date	28 September 2012
Notification of Acceptance	26 October 2012
Registration Deadline	31 October 2012
Conference Date	<b>5-6 December 2012</b>
